Joondalup

Joondalup

Nestled north of the river, Brightwater Joondalup is a warm and welcoming home for a small group of 20.

Featuring a balanced mix of social spaces and relaxing retreats, our not-for-profit aged care home offers comfortable options for you and your loved ones. Our private rooms all joined by open-plan social spaces, you'll be surrounded by beautiful outdoor areas providing plenty of fresh air, sunlight and solitude.

With Brightwater, care is never hard to come by. Our multi-skilled team includes nurses and therapists, all ready to accommodate complex needs like immobility, cognitive impairment, continence and rehabilitation. And with behind-the-scenes support from the Brightwater Research Centre, wellbeing is always our top priority.

The Lifestyle

Attentive staff, thoughtful design and plenty of personal touch all work in harmony to create your new home.

Community is key, so we're always adding activities and events to the agenda. Visiting pets and entertainers are a big hit, while craft classes and gardening help foster creativity.

Food is fuel, but it's also a simple source of joy. Our own catering team provide nutritious and delicious meals daily, with extra attention given to food allergies, diabetic diets or medical conditions such as dysphagia.

And of course, ample parking means family and friends are always invited.
