 - to set forth certain protocols relating to the functions, responsibilities and behaviour of relevant personnel within the Organisation.
- 1.2 The Organisation is committed to implementing high standards of governance. In determining what those high standards should involve, amongst other relevant governance guidelines and principles, the Organisation has had regard to standards generally endorsed for like organisations by relevant governance and director institutes.
- 1.3 The Organisation is registered with ASIC as an Australian public company limited by guarantee and therefore abides by the Corporations Act (as applicable), and as a charity with the ACNC and therefore abides by the ACNC Act.
- 1.4 The Charter takes into consideration the Constitution, Corporations Act, the ACNC Act, and the ACNC Governance Standards.
- 1.5 This Charter is intended to complement the Constitution, however to the extent of inconsistency between this Charter and the Constitution, the terms of the Constitution prevail.

1. Introduction

The Board is responsible for the preliminary appointment of the external auditor which is to be ratified by members at the next annual general meeting.

The Board's Audit and Risk Committee ("**Committee**") is delegated the task to meet and determine the process by which the auditor should be selected e.g. by way of a formal tender or some other method.

The Committee conducts the selection process and recommends a preferred external auditor to the Board. The Board may endorse the external auditor recommended by the Committee and tentatively appoint him/her. Alternatively the Board may wish to review the recommendation of the Committee.

At the request of the Committee, the CFO and/or CEO may assist the Committee in the selection and appointment process including by proposal of an external auditor, together with a written supporting submission.

7. Tender

(a) Request for submissions

If the Committee elects to undertake a tender process, the CEO or CFO will prepare or cause to be prepared a draft request for submissions that will be reviewed for approval by the Committee (with such changes as it considers appropriate).

The request should contain sufficient information to enable a proposal and fee estimate to be given to the Company. The request should include information about the Organisation, its operations, its key personnel, its structure, its financials and any other relevant information.

The CEO or CFO may arrange for candidates to meet with a selection panel appointed by the Committee.

(b) Selection Panel

The selection panel will comprise nominated members of the Committee, and any other person the Committee considers appropriate to assist it to assess the suitability of the external auditor.

8. Selection Criteria

The preferred external auditor should best satisfy the selection criteria identified by the Committee including:

-
- (a) Fees
A candidate should provide a firm fee quotation for its audit services. However price will be but one of the relevant factors in the selection of a preferred external auditor.

A candidate must satisfy the Committee that it is independent and outline the procedures it has in place to maintain its independence.
The external auditor must be independent from, and be seen to be independent from, the Organisation.
- (c) Scope of audit/issues resolution
A candidate should outline its response to the scope of audit in the request for submissions and any proposed procedures to address any issue of material significance or matter of disagreement with the Organisation's management.
The external auditor and the CFO will be required to disclose to the Committee all such issues of material significance and all matters of disagreement, whether resolved or unresolved.
- (d) Non-audit work
A candidate must detail its approach to the provision of non-audit related services to the Organisation. Generally such work should be at most immaterial.

If proposed otherwise, the Committee must consider the circumstances in which the Organisation might use the external auditor for non-audit services. Matters to be considered include the extent, scope and potential value of non-audit fees and any circumstance where the external auditor may be required to review and rely upon work conducted by it in a non-audit capacity.

The scope of non-audit work must not be allowed to impinge upon the external auditor's independence (refer also paragraph 4 below).
- (e) Other matters
The selection criteria may include such other matters as the Committee thinks fit.

9. Policy on audit and non-audit services

The Committee may develop a policy that sets out the circumstances in which the Organisation may use the external auditor for other services. A copy of this policy will be provided to the external auditor.

The policy will be based on the following principles:

- (a) the external auditor may provide audit and audit-related services that, while outside the scope of the statutory audit, are consistent with the role of auditor;
- (b) the external auditor should not provide services that are perceived to be materially in conflict with the role of auditor;
- (c) the external auditor may be permitted to provide a limited number/value of non-audit services that are perceived to be not materially in conflict with the role of auditor, subject to the approval of the Committee;
- (d) exceptions may be made to the policy (with specific Board approval) where the variation is in the best interests of the Organisation and arrangements are put in place to preserve the integrity of the external audit process.
-

10. Rotation of external audit engagement partner

The Committee will ensure that the external auditor has in place arrangements for rotation of the audit engagement partner.

The audit engagement partner for the audit must rotate at least every 5 years.

11. Review of audit arrangements

The Committee will periodically review the external auditor's performance, at least annually. As part of this review, the Committee will obtain feedback from the CEO, CFO and other members of senior management regarding the quality of the audit service.

The Committee will allow for the nomination of prospective Representatives to be open for a period of 30 days, or such longer time as the Committee considers appropriate or practical.

(b) Request for Nominations

The Committee Chair will call for members of the Committee to nominate a person who they consider appropriate for the role and who will satisfy the Selection Criteria outlined below.

(c) Selection Panel

The Committee Chair may arrange for nominees to meet with a selection panel appointed by the Committee.

The selection panel will comprise nominated members of the Committee, and any other person the Committee considers appropriate to assist it to assess the suitability of the nominees. This may include Management and the Company Secretary as required.

(d) Recommendation

The Committee will, following completion of the nomination period provided under paragraph 2(a) above, deliberate and make a recommendation to the Board as to which nominee they propose to be appointed to the Committee, taking into consideration:

- (i) the outcome of any Selection Panel process; and
- (ii) the nominees’ satisfaction of the Selection Criteria outlined below.

3. Selection Criteria

The preferred nominee should best satisfy the Selection Criteria identified by the Committee, including:

(f) Independence

If a nominee has a previous association with Brightwater in any capacity, for example as a resident, family member, consultant, associate or former staff member, this does not automatically preclude them for being a nominee.

However, a nominee must still satisfy the Committee that they have sufficient independence of the Committee and the Board to fulfil the role of a Consumer or Community Representative – ie – they must not have a relationship with the Organisation that would reasonably impair their ability to exercise independent judgement as a member of the Committee.

(g) Consumer Representative

A nominee must satisfy the Committee that they have sufficient connection and experience with the consumer perspective in the market. Examples of interests, positions or roles which indicate a person's consumer presence and awareness include those who:

- i. have spent time as a resident at a facility;
- ii. have spent time as a carer; or
- iii. have worked as a volunteer or advocate in the sector, or similar.

These examples are not exhaustive and are for guidance purposes only.

(h) Community Representative

A nominee must satisfy the Committee that they have a degree of responsibility to the community as a whole or are known to a broad section of the community. Examples of interests, positions or roles which indicate a person's community presence include those who:

- (i) perform or have performed a significant public function;
- (ii) are a member of a professional body having a code of ethics or rules of conduct;
- (iii) are a director or an Executive of a public company;
- (iv) have received formal recognition from Government or the community for services provided to others; or
- (v) are an individual before whom a statutory declaration may be made.

These examples are not exhaustive and are for guidance purposes only.

(i) Experience

A nominee will desirably have some experience in care and health related environments although this is not essential.

4. Scope of the role of the Representatives

As a member of the Committee, the roles of the Representatives are to undertake the remit and scope of work of the Committee provided in the Organisation's Governance Charter, Appendix E(3) – Care Committee Charter.

In order to meet the requirements of this remit, the Representatives will need to:

- (i) attend meetings of the Committee;
- (ii) deliberate on proposals and agenda items;
- (iii) make recommendations to the Board; and
- (iii) vote on decisions.

The Representatives are expected to utilise their consumer and community presence to raise fresh perspectives or give unique insight into deliberations and proposals considered by the Committee.

5. Term of Representatives

A Representative may not serve as a member of the Committee for more than two years from their date of appointment, noting that this may be extended by mutual agreement between the Committee and the Representative for a further two Terms of two years each, to serve a maximum of six years on the Committee.

6. Review of Representatives

The Committee will review the roles of the Representatives at the end of each Term. As part of this review, the Committee will determine whether the Representatives adequately satisfy the Selection Criteria outlined at paragraph 3 above.

If the Committee determines that the Representative/s no longer satisfy the Selection Criteria, the Committee must recommend to the Board that the Representative/s be removed from the Committee and a new Representative/s be appointed in accordance with these guidelines.

Conflict of Interest Protocol

1. Purpose

The purpose of this protocol is to provide guidance to the Organisation's Board members (**Board Members**) in the event of a conflict of interest arising for those Board Members (either duty v's duty or duty v's personal interest) and to provide for the establishment of procedures to facilitate good corporate governance and legal compliance.

2. Background

- 2.1 The Organisation is regulated for these purposes by its Constitution, the ACNC Act (encompassing the ACNC Governance Standards) and the Corporations Act (to the extent it is applicable to the Organisation as a registered charity).
- 2.2 It is noted that sections 191 – 194, regarding the disclosure of material personal interests, do not apply to the Organisation by virtue of the operation of Part 1.6 of the Corporations Act.
- 2.3 This policy document is confined to "conflicts of interest" and does not purport to extend to the broader general common law and statutory duties of Board Members.

10. Adoption and Monitoring

- 3.1 This policy document has been adopted and endorsed by the Board.
- 3.2 The Board will periodically monitor compliance with this policy document.

11. Principal Obligations

- 4.1 Generally (subject to any specific requirements of the Constitution, the ACNC Act and the Corporations Act (to the extent it is applicable to the Organisation as a registered charity)):
 - **(paramountcy)** provisions in the ACNC Act and Corporations Act take priority over any conflicting provisions in the Constitution and this Charter, to the extent those Acts apply to the Organisation in accordance with their provisions and the Constitution;
 - **(disclosure)** a director who has a material personal interest in a matter that relates to the affairs of the Organisation must give the other directors notice of the interest unless a prescribed exception applies;
 - **(contents of notice)** the notice must give details of the nature and extent of the interest and the relation of the interest to the affairs of the Organisation;
 - **(timing of notice)** the notice must be given at a Board meeting as soon as practicable after the Board Member becomes aware of the interest in the matter;
 - **(minutes)** the details must be recorded in the minutes of the meeting;
 - **(standing notice)** a Board Member may give standing notice of an interest, including before the interest becomes a material personal interest; and

-
- **(participation)** the ability of a Board Member to participate in the Board meeting at which the matter will be considered and to count towards the quorum of that meeting will be governed by the Constitution.

4.2 Specific constraints

- **(restrictions on voting and being present)** a Board Member who has a material personal interest in a matter being considered at a Board meeting must not:
 - be present while the matter is being considered or deliberated;
 - vote on the matter;
- **(exceptions – subject to contrary specific requirements of the Constitution, the ACNC Act and Corporations Act (to the extent it is applicable to the Organisation as a registered charity))** the following exceptions generally apply to the foregoing:
 - **(participation with Board approval)** the other Board Members who don't have a material personal interest pass a resolution identifying the relevant Board Member (and the extent and nature of his/her interest and its relation to the affairs of the Organisation) and stating they are satisfied the relevant Board Member should not be disqualified from being present and voting; or
 - **(participation with regulatory approval)** an order may be made by the relevant regulator under the legislation under which the Organisation is constituted;
- **(participation with member approval)** if a quorum of non-conflicted Board Members is not possible, the Board may convene a meeting of members or the Organisation to resolve the matter (notwithstanding the conflict of the Board's Directors).

12. Board Procedures to Assure Sound Governance

- 5.1 Listed in 5.2 are examples of circumstances which are likely to give rise to a Board Member having a conflict of interest or prospective conflict of interest (**Relevant Circumstance**) but excluding a circumstance, event or conflict arising only from the Board Member (or a Related Party – refer paragraph 5.3 following):
- being a Member of the Organisation;
 - being a routine customer or recipient of goods or services from the Organisation in the ordinary course of the Organisation’s operations; or
 - holding a position of office in the Organisation.
- 5.2 Non-exhaustive examples of Relevant Circumstances include:
- a Board Member or a Related Party has a direct or indirect pecuniary interest in a contract or proposed contract with the Organisation;
 - a Board Member or a Related Party holds an office in an entity with which the Organisation may have dealings;
 - a Board Member or a Related Party has an investment in an entity with which the Organisation may have dealings, other than a mere portfolio investment where investment discretion substantially resides with a third party; and
 - any other transaction or circumstance affecting the Organisation where the Board Member (acting in good faith with objectivity and reasonableness) may believe that they might not be able to exercise judgement with impartiality in the best interests of the Organisation.
- 5.3 For the purpose of this policy a “**Related Party**” refers primarily to a Board Member’s spouse or other “close” family member (depending upon the circumstances without prescriptive intent) or other corporate, trust or nominee entity or person over whom the Board Member or other persons as aforesaid may substantially exercise control or influence.
- 5.4 Each Board Member must give notice in writing to the Secretary of the nature and extent of each Relevant Circumstance as soon as he or she becomes aware of it (or in the case of the Secretary, to the Chair). If such notice is not given prior to the Board meeting at which a matter will be considered which relates to the Relevant Circumstance, the Board Member must declare the Relevant Circumstance to the Board meeting prior to the matter being considered.
- 5.5 The Secretary should cause every notification or disclosure of a Relevant Circumstance to be recorded in a Register of Relevant Circumstances – Conflicts of Interest of Board Members (**Register**) to be maintained (under the control of the Secretary) and which Register is to be available for inspection at any time on request, and is to be brought to the attention of Board meetings when business of the meeting may impinge or touch upon a Relevant Circumstance.
- 5.6 It is the obligation of each Board Member to ensure that the particulars in the Register with respect to themselves are current, complete and accurate in all material respects.
- 5.7 It is the obligation of the Secretary periodically (at least annually) to enquire of the Board Members if there should be any variations to the Register.
- 5.8 Unless there be special reason to the contrary (in the interests of the Organisation and for efficiency of meeting process), as determined by the person presiding at the meeting and with the agreement of all the remaining Board Members not affected by the Relevant Circumstance, the affected Board Member shall absent himself or herself from the Board
-

meeting whilst the meeting considers, deliberates and votes on any relevant matter for which an affected Board Member may be affected by a Relevant Circumstance.

- 5.9 The person presiding at the meeting may request the affected Board Member to address the meeting preliminary to the relevant subject matter being under consideration and to respond to specific queries at the meeting, but the Board Member shall not be under any obligation to so address or respond if the affected Board Member considers it inappropriate to do so.
- 5.10 In particular, each Board Member affected by a Relevant Circumstance may not take part in any deliberations, decisions or voting on a matter at a Board Meeting in which the Relevant Circumstance gives rise to a conflict of interest of the Board Member, subject to any exceptions referred to in paragraph 4 above.

13. Board Committee Meetings

ATTACHMENT 2

The Board, Committee and Directors - evaluation protocols

1. Principles

The principles of the evaluation process are:

- integrity of process – actual and perceived;
- assessment to be independent of management;
- process designed to encourage open and constructive discussion;
- agreed and clear goals accepted by all participants;
- confidentiality of identity of each individual director assessment;
- transparency of the evaluation process to assure accountability;
- post evaluation debriefing assessment and follow up;
- evaluation to focus on demonstrable performance, in context of overall Organisation goals; and
- voluntary submission to evaluation by all relevant participants.

2. Participants Evaluation Process

2.1 Selecting an evaluation process and criteria

- (a) The Governance Committee, in consultation with the Chair, assumes responsibility for recommending to the Board the appropriate evaluation objectives and processes, including the methodology, who will facilitate it, and who will oversee it.
- (b) The Board decides if it accepts the recommendation or if it requires changes.
- (c) Utilisation of external facilitation under the oversight of the Chair can help bring professionalism, objectivity and confidentiality to the process.
- (d) Evaluation criteria should:
 - allow comparison with identifiable objective benchmarks where possible;
 - be relevant to the Organisation, the Board, the Committees, the Directors and their respective circumstances;
 - be relatively standardised to allow longitudinal analysis, unless circumstances otherwise require;
 - should be capable of reflecting the full scope of relevant endeavour and performance which is consistent with the Organisation's strategies and goals.

2.2 Generally available types of evaluation processes

- (a) Self-assessment is a common approach. Self-assessment allows ownership of and personal input into the evaluation process.
- (b) Peer review (360° feedback) can be a desirable addition to self-assessment, especially for the role of the Chair. Peer review gives objectivity.
- (c) Other models of evaluation (e.g. external consultant interviews) may be suitable depending on the circumstances and needs.

2.3 Evaluation program

- (a) The cycle for the Organisation's evaluation and review process or program for its Board, Committees and individual Directors is 3 yearly.
- (b) Discrete elements of the evaluation program desirably may be undertaken each year in accordance with the following process:
 - (i) Year 1 – overall governance review and evaluation PLUS individual Director discussions with Chair (as appropriate);
 - (ii) Year 2 – governance review and evaluation of Board Committees PLUS individual Director interviews with Chair;
 - (iii) Year 3 – Board dynamics review and evaluation PLUS individual Director interviews with external facilitator.

3. Process for individual directors

3.1 Process for Review Process

- Step 1** Each Director completes an agreed self-evaluation form using agreed ratings and evaluation criteria and passes same to Chair or external facilitator (as applicable).
- [Step 1A]** (in case of peer review only) Other Directors provide feedback on the performance of the Director using the same agreed ratings and evaluation criteria and passes same to Chair or external facilitator (as applicable).]
- Step 2** A meeting is held between the Director and the Chair or external facilitator (as applicable) to discuss issues raised (including any material discrepancies between self-assessment rating and the peer review as applicable).
- Step 3** Chair or external facilitator reports back to Board on outcomes of the process (but having respect for the principle of confidentiality – refer paragraph 1 above).

3.2 Evaluation criteria for each Director

Includes:

- Governance: ability of Director to contribute to Board and Organisation's performance whilst adhering to principles of good governance.

3.3 Chair evaluation

To the extent to which the role of the Chair is not evaluated in any overall governance review and evaluation tool being deployed, the Deputy Chair (if any) or senior/lead independent Director should take responsibility for evaluation and review of the Chair and the views of the other Directors should be canvassed.

4. Process for Board Committees

4.1 Review Process

- Step 1** The members of each relevant Committee complete self-evaluation forms using agreed ratings and evaluation criteria and pass same to Chair or external facilitator (as appropriate).
- Step 2** The Chair or external facilitator (as appropriate) meets with the relevant Committee to constructively discuss the outcomes of the review and any agreed action arising.
- Step 3** A summary of outcomes for all Committees is reported to the Board by the Chair or external facilitator (as appropriate) for discussion and any action arising.

4.2 Evaluation criteria for committees

Includes:

- Committee Charter: appropriateness of scope and content of Committee's remit.
- Committee Membership: appropriateness of balance and skill blend of Committee members.
- Procedure and practice: use of Committee time, adequacy of Committee papers, frequency of meetings, ability to access resources, ability to keep informed in relevant area, provision for continuing development, opportunity for Committee members to contribute constructively to committee to work in a conducive and open manner, and Committee member dynamics.
- Committee substantive output: objective criteria (based on the Committee's remit and terms of reference) to measure the performance output of the Committee.

5. Process for Overall Governance Review

5.1 Review Process

- Step 1** Each Director completes evaluation form using agreed ratings and evaluation criteria or external facilitator (as appropriate).

6.1 Review process

- Step 1** Each Director completes evaluation form using agreed ratings and evaluation criteria and passes same to Chair or external facilitator (as appropriate).
- Step 2** The results of the evaluation forms are analysed in accordance with the agreed methodology.
- Step 3** The outcome of the review is communicated to the Board by the Chair or external facilitator (as appropriate) for discussion and any action arising.

6.2 Evaluation criteria for Board Dynamics Review

Academic research has identified good board dynamics as one of the most influential and important areas of governance leading to enhanced corporate performance outcomes. Criteria for evaluation include:

- getting the task done
 - clarity of goals/purpose
 - skill mix
 - competence
 - reliance on others to perform

Appendix N

Remuneration Policy

1. Generally

- (a) The Organisation commits to a formal and transparent process for remunerating its people.
- (b) This includes developing a remuneration policy and fixing remuneration packages for senior executives with no senior executive deciding his or her own remuneration.
- (c) Within the context of the Organisation's community and charitable not for profit status, remuneration is to be market competitive, fair and equitable so as to attract, motivate and retain high quality candidates.

26. Remuneration for non-executive Directors

- (a) Having regard to the Organisation's community and charitable not for profit status, to date the Board has resolved not to offer remuneration to its Board members. However it is recognised that this approach may change in the future.
- (b) If a Board decision is taken for this approach to be reviewed, then in considering whether or not to award non-executive Director remuneration, and if so how much, the Governance Committee and the Board should have regard to all relevant factors including:
 - any constraints or approvals required in the terms of the Constitution;
 - market and peer benchmarking;
 - organisational performance generally;
 - member sentiment;
 - cashflow capacity;
 - board work load;
 - ensuring that incentives for non-executive Directors do not conflict with their obligations to bring an independent judgement to matters before the Board.

-
- (c) The principles of any non-executive director remuneration policy should first be appropriately disclosed to and approved by the Members of the Organisation in general meeting.
 - (d) The current approach of not awarding remuneration to Board members does not prejudice a Board member's entitlement to reimbursement of out of pocket expenses properly incurred by that Board member on behalf of the Organisation.

27. Remuneration for Executive officers

- (a) In setting the level and composition of remuneration for executives the Company will balance its desire to attract, retain and motivate high quality personnel with the need to ensure that:
 - (i) their remuneration incentivises them to pursue the goals and success of the Organisation (both over the short and longer terms) without taking undue risks;
 - (ii) the Organisation is not paying excessive remuneration.
- (b) The structure of executive remuneration should be designed to create alignment of the interests of the executive with those of the Organisation.
- (c) Typically that may include a remuneration structure along the following lines:
 - (i) base salary (including superannuation);
 - (ii) bonus arrangement – typically set so as not to exceed a percentage of base salary whether available in salary or in some non-financial award form (e.g. extra leave or paid attendance at relevant professional development courses or conference seminars) with its annual award being at the discretion of the Board (on the recommendation of the Governance Committee in consultation with the CEO) measured against the degree of satisfaction of certain key performance indicators (**KPIs**) set at the beginning of the annual period;
- (d) The Organisation's remuneration is specifically designed to encourage loyalty and longevity of employment as well as aligning the employee's interests with those of the Organisation and the creation of genuine long term sustainable value for the Organisation. Accordingly the following principles are to be incorporated into remuneration packages for the executives:
 - (i) any unvested bonus arrangements lapsing on the departure of the executive from employment with the Organisation, other than at the discretion of the Board (in consultation with the CEO) if the departure is on "good leaver" basis or on compassionate grounds;
 - (ii) even if bonus remuneration has vested and been awarded, if the basis upon which the vesting or award has been made proves to be misfounded for any reason whatsoever (including without limitation material error or misstatements in the data relied upon by which the award was made), then the correct remuneration entitlement is to be determined and any difference promptly repaid or restored by the executive to the Organisation, or paid or awarded by the Organisation to the executive, as applicable.
