# We provide not-for-profit support to people from all walks of life

Brightwater has been part of the WA community since 1901. Today, our services include at home aged care, residential aged care, disability support and retirement living.

Our dedicated research centre helps us discover new ways to enable wellbeing, while our linen and catering businesses allow us to reinvest into those ideas.

## Brightwater at Home

- Mobile services stretching from Two Rocks to Pinjarra
- Personalised support including help around the house, health care and companionship
- Government-subsidised packages in four care levels, plus an entry-level program
- Employing care workers, allied health professionals and more

## Residential Aged Care

- 13 locations from Mandurah to Joondalup, including transition care
- Specialist support for complex needs including dementia, immobility and dysphagia
- Employing care workers, nurses, allied health professionals and more

## Disability Support

- NDIS services for people living in the community
- 10 supported houses from Warnbro to Marangaroo, including transition care
- Specialist support for neurological disability, including a unique brain injury rehabilitation program
- Employing disability support workers, allied health professionals, social workers and more

## Linen & Catering

- Large-scale laundry and kitchen in Malaga
- Providing commercial solutions to the aged care, mining and hospitality sector
- Employing over 150 staff, including supported employment for people with autism
