Brightwater at Home can assist with light gardening services through various partners. Service fees are dependent on the partner and services provided.						
All fees exclude GST						

All providers are required by government to set aside 10% of your funds for care management.

Care Management is the behind-the-scenes support you receive to help your care run smoothly. It includes things like:

- Developing your care plan

Checking in on your health and services

Organising and coordinating workers

Helping you access other supports if your needs change

Client Contributions

Under Support at Home, the government may ask you to contribute to the cost of your independence and everyday living services, based on your income and assets.

Contribution rates are set as a percentage of the price of each service.
