

Welcome to  
**Brightwater**  
**The Oaks**

# Your **home**

**Nestled in the beachside suburb of Waikiki, Brightwater The Oaks is a warm and welcoming home for a diverse group of residents, including those living with dementia.**

Brightwater The Oaks is backed by 120 years of experience in residential aged care and built on the concept of a social model of care. With 60 private rooms and 1 shared room all joined by open-plan social spaces, you'll be surrounded by beautiful outdoor areas providing plenty of fresh air, sunlight and solitude.

With Brightwater, care is never hard to come by. Our multi-skilled team includes nurses and therapists, all ready to accommodate complex needs like immobility, cognitive impairment and continence. And with behind-the-scenes support from the Brightwater Research Centre, wellbeing is always our top priority.

# Life at **The Oaks**

Based on the concept of a social model of care, Brightwater The Oaks has been designed with individual households. Each home to a small community with shared spaces where you, your family and friends can come together and connect.

Whether you want to get involved in our range of social activities or bask in the sunlight of our beautiful gardens, our team will always accommodate your preferences.

Community is key, so we're always adding activities and events to the agenda. We celebrate all those special days, and we always welcome family and friends. Our community enjoy regular entertainer visits, bus outings, exercise groups and more.

Be a part of it all in our shared living areas or find a quiet corner whenever you like. Our rooms have familiar furnishings and décor to keep you cosy, with abundant lighting and views to keep you connected with nature.

We're proud to be part of an inclusive organisation. Brightwater The Oaks welcomes people of all backgrounds. At Brightwater we celebrate differences, and encourage you to discuss the matters that are important to you so that we can support, celebrate and commemorate either with you or by providing space for you.

**Family and friends are always welcome.**

# Meals

Brightwater The Oaks offers a regularly changing menu with a variety of tasty and nutritional meals, including some recognisable old favourites.

Every meal on the menu has been tested and approved by our dietitian and speech pathologists together with residents, to make sure that we provide tasty meals for all diet textures and offer meals that meet the nutritional requirements for all of our residents, including those with dysphagia and chronic disease.

From traditional roasts to bangers and mash, to texture modified food that is full of flavour, there's something for everyone to enjoy.

# Your room

**Timber tones and earth based natural colours and textures make the bedrooms at Brightwater The Oaks feel warm, welcoming and homely.**

Each room is between 16m<sup>2</sup> and 25m<sup>2</sup>, making them the ideal size for one. You'll have your own ensuite bathroom and direct access to the lounge room and dining room, so you'll never be far from where you need to be.

You'll also have a Wi-Fi connection to keep in touch with family and friends, with any equipment and subscriptions at your own cost.

We encourage you to add personal touches to your room, with pictures, art, and special treasures. While each room offers all the essentials, we want you to make your room your own. Our Service Manager is happy to talk you through your options before making any adjustments.

You can feel confident that your room and ensuite have been designed to adapt to all levels of care needs, supporting you to live as independently as possible in your new home.

# Supporting **West Australians**

Brightwater Care Group is a leading not-for-profit provider of aged care, disability and retirement services that has been part of the Western Australian community for over 120 years.

We take the time to see our residents for who they are – their characters, their stories, their hopes and their dreams. Everyone deserves a better quality of life, and by keeping our residents at centre stage, we support them to live a colourful, connected and cared-for life.

Our dedicated Research Centre helps us discover new ways to enable wellbeing, collaborating with universities to find solutions to improve the quality of lives of our residents, with studies focused on brain health, ageing well, independence, dementia care and nutrition.
